GOLF COURSE

COURSE RULES:

USGA Rules govern all play with the following local rules:

1. Cart paths only on all Par 3 holes.
2. Yardage plates are located on each tee box.
3. If your ball strikes a power line or power tower, you must disregard that stroke, abandon that ball and re-hit from as near as possible from the spot the original ball was played, without penalty.
4. Keep carts 30' from greens and tees.
5. Please replace divots, rake bunkers and repair ball marks.
6. White stakes on hole #13 do not apply to hole #12.
7. Free drop from mulch around trees.

LEGEND:

This guide provides an easy way to navigate the golf course and check distances to key points. It is designed to supplement the distances provided on the physical course markers.

THE NEW #1 RANGEFINDER ON THE PGA TOUR.

Boo Weirley
"...the Leupold GX-II
is the best on the market."

EVERY WEEK, A MAJORITY OF PGA TOUR CADDIES MAKE THE LEUPOLD® GX® #1 by using our laser rangefinders to scout and measure every inch of the course. They prepare for any situation their player may face, because during crunch time they must have all the answers. Whether you use the tournament-legal GX-I, or the advanced GX-II with Club Selector, you can trust the only rangefinder endorsed by the Professional Tour Caddies of America. Exclusive PinHunter™ and True Golf Range technology arm you with the most precise range information on the course. Input your personal striking ability, and Club Selector will recommend what club to use. Next time you're lining up a tough shot, use what the pros use: Leupold GX. Find out what people are saying and find your dealer at www.leupold.com/golf.

Player A and B have different hitting strengths, but by using the GX-II with Club Selector and TGR, they get identical results.
