THE NEW #1 RANGEFINDER ON THE PGA TOUR.

Boo Weekley
"...the Leupold GX-II
is the best on the market."

EVERY WEEK, A MAJORITY OF PGA TOUR CADDIES MAKE THE LEUPOLD® GX® #1 by using our laser rangefinders to scout and measure every inch of the course. They prepare for any situation their player may face, because during crunch time they must have all the answers. Whether you use the tournament-legal GX-I, or the advanced GX-II with Club Selector, you can trust the only rangefinder endorsed by the Professional Tour Caddies of America. Exclusive PinHunter™ and True Golf Range technology arm you with the most precise range information on the course. Input your personal striking ability, and Club Selector will recommend what club to use.
